## 2018 Beaver County Road Construction

### Construction Update: Terracem Projects

A light tac coat has been applied to Township Road 512 from Highway 834 to RR 191 (Creamery Road), and Range Road 191 (Creamery Road), south of TWP 512 to 53 Ave in Tofield, and is re-open for traffic and public use. Please exercise caution and observe traffic/construction signs when travelling these roads.

All Terracem cementing has been completed and now chip seal needs to be applied to achieve the hard surface. This is not asphalt, but the end result will seem similar to residents and the travelling public, and will result in roads that are not dusty when dry, nor muddy when wet.

The contractor will return in the next couple of weeks to apply the chip seal. Range Road 191 and Township Road 512 will receive the first lift. All other roads (Township Roads 492 and 510, and Range Road 201) will receive their 2nd lift and will be complete. Following this work, the contractor will return to Township Road 512 and Range Road 191 for the 2nd lift, and then those roads will be complete.

During this time, the roads may be closed to allow crews to work safely; however, access for local landowners will be maintained during construction. We encourage patrons to take alternate routes until the projects are complete.

There are potential hazards to the public and vehicles during the construction process. This can include heavy machinery, dust or mud, and road materials such as gravel, asphalt coatings, and rock chips. After the roads are stabilized, a coat of chip seal will be applied that can make your vehicle dirty.

Finally, there will be loose rock chips present for some time after application that can scratch your vehicle. The final chips will be brushed off after the surface has cured (generally after a few weeks).

Please be advised the speed limit will be 50 km/h while posted, as there will be crews on the road who need to work safely, and it will help keep the loose rock chips more stationary.

This schedule is weather dependent. Thank you for your patience and understanding during construction. If you have any questions, please call the Beaver County Service Centre at 780-663-3730.

## 2018 Construction Schedule

Task	Start Date	Working Days	Projected End Date	Update – August 8
Culvert Maintenance	Apr 24	135	Oct 30	
Twp 492 Terracem	Jun 11	15	Jun 29	Terracem is complete; 2 <sup>nd</sup> lift of chip seal to be applied by mid-August
Rge 201 Terracem	Jul 2	2	Jul 3	Terracem is complete; 2 <sup>nd</sup> lift of chip seal to be applied by mid-August
Twp 510 Terracem	Jul 4	5	Jul 10	Terracem is complete; 2 <sup>nd</sup> lift of chip seal to be applied by mid-August

## Public Sale of Land

(Municipal Government Act)

Notice is hereby given that under the provisions of the Municipal Government Act, the public auction regarding the sale of the following lands has been adjourned to 9:00 am, Tuesday, August 21, 2018:

PS-Sc-Twp-Rg-M	Plan	Block	Lot	Name	Parcel Size
SW 30-48-14-W4	4834 W	6	21 & 22	Hamlet of Bruce	650.32 sq.m

Each parcel will be offered for sale subject to a reserve bid and to the reservations and conditions contained in the existing certificate of title.

Beaver County may, after the public auction, become the owner of any parcel of land that is not sold at the public auction.

Terms: Cash

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at Ryley, Alberta, August 8, 2018

ROBERT BECK, Chief Administrative Officer

### Paragon Theatre (Holden) Movies

Saturday, August 11

3 pm: Isle of Dogs

7 pm: The Leisure Seeker

Adults: \$7. Under 12: \$3.

For more information email  
beaverhillplayers17@gmail.com.

## Fees for Service Increase

### Increase in Fees for Driveway Maintenance (includes Grading, Snow and Ice Control per Policy)

The County provides snow clearing and driveway grading for ratepayers upon request.

At the June 20, 2018 Council meeting, Council passed the Fees for Service Bylaw 18-1056 with an increase to the cost of snow clearing and driveway maintenance. This increase was passed so that it is consistent with local contractors.

Charges will be as follows effective June 20, 2018:

\$150 per hour with minimum ½ hour = \$75, plus \$25 for each 10-minute increment after first ½ hour.

An agreement is required prior to this service being provided, please contact the Beaver County Service Center to make arrangements @ 780-663-3730.

This however does not change our service for senior citizens (persons 65 years or older) or persons with health issues that would prevent the clearing of snow to a maximum 6 per calendar year, a maximum of 30 minutes per removal. Please note that this free service is for snow removal only.
