

BATHGATE WATERLINE PROJECT

QUESTIONNAIRE

The following information is requested to assist Beaver County with the design of the Bathgate Waterline Project. For further information, please refer to the FAQs provided or contact the County Office at 780-663-3730. Please return this questionnaire to the Beaver County Service Centre in person, by fax to 780-663-3602, or by mail to Box 140, Ryley, Alberta T0B 4A0.

The following information will be used by the County to determine the level of interest in construction of the waterline, and if necessary, to contact you with further information about the Project.

Name (please print): _____

Mailing Address: _____

Daytime Phone Number: _____

Land Location of Service Connection: _____

Are you interested in a service connection to the waterline?

Yes No Unsure

Comments: _____

To ensure the timely design of the final route, please return this questionnaire to the County no later than Tuesday, March 31, 2015.
