

## **BATHGATE WATERLINE PROJECT**

## **PUBLIC INPUT**

Beaver County Council is interested in your feedback regarding the options for construction of the Bathgate waterline. You are encouraged to provide your comments either on this form or by sending your comments in writing to the County Office. You may also e-mail the County at <a href="mailto:administration@beaver.ab.ca">administration@beaver.ab.ca</a>. The deadline for return of comments is December 18, 2015.

## **PLEASE PROVIDE YOUR INPUT!**

1.	Which of the following options should the County consider for this project?	
	<ul> <li>Option 1 – Proceed with the project under current County policy (50/50 cost-sharing)</li> <li>Option 2 – Proceed with the project under modified policy</li> <li>Option 3 – Proceed with the project in phases</li> <li>Option 4 – Delay the project until grant funding is available</li> <li>Option 5 – Delay the project until Clean Harbors' grant is guaranteed</li> <li>Option 6 – Cancel the project</li> <li>Option 7 – County constructs the waterline</li> <li>Option 8 – Explore other options</li> </ul>	
	Comments:	
2.	If more than two options were chosen above, indicate your <u>first and second</u> choice of options.	
	<ul> <li>Option 1 – Proceed with the project under current County policy (50/50 cost-sharing)</li> <li>Option 2 – Proceed with the project under modified policy</li> <li>Option 3 – Proceed with the project in phases</li> <li>Option 4 – Delay the project until grant funding is available</li> <li>Option 5 – Delay the project until Clean Harbors' grant is guaranteed</li> <li>Option 6 – Cancel the project</li> <li>Option 7 – County constructs the waterline</li> </ul>	
	Option 7 – County constructs the waterline	

3. Are there other alternatives that the o	County should consider?
Your input is welcome! Please provide of	ther comments below if desired:
