

# **Attention: Parents of children in the Battle River School Division**

## **Learn about *Google* in the Classroom**

Would you like to learn what is going on in the technology world of your child and be better equipped to keep up with the technology changes taking place at your child's school? If so, please join the **Battle River School Division Technology Team and the Beaver County Community Adult Learning Program** for a morning of Google related learning.

**Saturday, September 22, 2018  
9:30 am to 12 noon  
Beaver County Service Centre  
5120 50 Street, Ryley, AB**

**REGISTRATION DEADLINE: September 19<sup>th</sup> by 4:00 pm**

**Battle River School Division requires a minimum of 15 registrations to present this free workshop.**

**Bring your own laptop, iPad or Chromebook to this session so that you can get set up with the tools and try them out. If you do not have access to these devices, we will have 3 laptops on site to share.**

**Please register by calling 780 663-3730 and leave a message for Patti at ext. 124  
Or send us an email at: [calp@beaver.ab.ca](mailto:calp@beaver.ab.ca)**
