2018 Beaver County Road Construction

Township Road 510 and Range Road 201 are being upgraded.

Over the next few weeks, Township Road 510 from Highway 833 to the County border, and Range Road 201, south of HWY 14, will be upgraded from gravel or oiled roads to all-weather hard surfaced roads.

This involves stabilizing the road base with soil cement before applying two coats of “chip seal”. While this process is much different from the process to pave a road with asphalt, the end result will seem similar to residents and the travelling public, and will result in roads that are not dusty when dry, nor muddy when wet. During this time, the roads may be closed to allow crews to work safely; however, access for local landowners will be maintained during construction. We encourage patrons to take alternate routes until the projects are complete.

There are potential hazards to the public and vehicles during the construction process. This can include heavy machinery, dust or mud, and road materials such as gravel, asphalt coatings and rock chips. After the roads are stabilized, a coat of chip seal will be applied that can make your vehicle dirty.

Finally, there will be loose rock chips present for some time after application that can scratch your vehicle. The final chips will be brushed off after the surface has cured (generally after a few weeks).

Please be advised the speed limit will be 50 km/h while posted, as there will be crews on the road who need to work safely, and it will help keep the loose rocks chips more stationary.

This schedule is weather dependent.

Thank you for your patience and understanding during construction. If you have any questions, please call the Beaver County Service Centre at 780-663-3730.

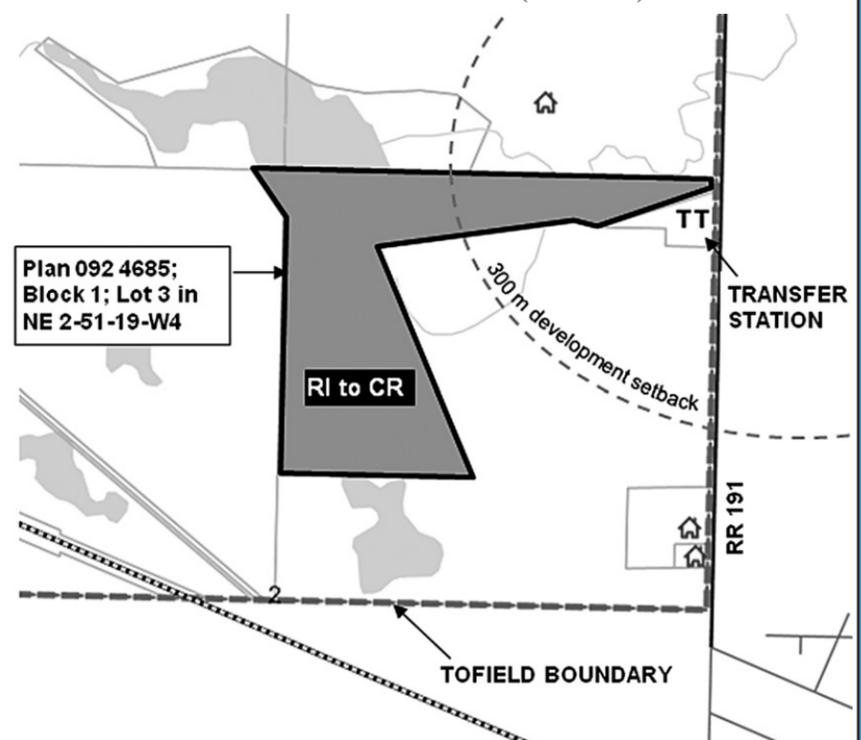

Notice of Public Hearing

NOTICE OF PUBLIC HEARING

For the purpose of hearing arguments for and against a proposed amendment to Beaver County Land Use Bylaw 98-801.

Bylaw 18-1059 Proposed LUB Amendment in Plan 092 4685, Block 1, Lot 3.

Beaver County Council is considering an amendment to its Land Use Bylaw to redistrict the subject land from **RI – Rural Industrial District** to **CR – Country Residential District**. The total area of the amendment is 20.30 ha (50.16 ac).

The subject land is located northwest of Tofield, within the Tofield and Beaver Intermunicipal Development Plan area. The IDP indicates the future land use concept as residential. The intent of the applicant is to develop a cabin for residential use. Council will hear arguments for and against the proposed LUB amendment at a public hearing scheduled for **10:30 am, Wednesday, July 18, 2018, at the Beaver County Service Centre in Ryley, Alberta.**

A copy of Bylaw 18-1059 may be obtained at the Beaver County Service Centre or on the County’s website at www.beaver.ab.ca. Written submissions may be provided to Beaver County Council during the public hearing, however it is requested that a copy of the written submission be delivered to the Service Centre (5120-50 Street, Ryley), attention the Chief Administrative Officer, no later than 4:30 pm, Wednesday, July 11, 2017.

If you submit comments regarding the bylaw in writing, the information you provide may be made public, subject to the provisions of the *Freedom of Information and Protection of Privacy Act*.

Bob Beck, Chief Administrative Officer
Beaver County
