### Community Advisory: Paragon Theatre

## COMMUNITY ADVISORY Holden Paragon Theatre

Due to the recent thefts in the last week of our movie projector system and sound components from the Holden Paragon Theatre, regular movies will no longer be held until Community funding is found to replace them.

There was no insurance on the items taken to replace them. This is the third break in experienced at the theatre within the last year.

Substantial Community support and interest is now needed to enable the movie program to continue.

### Back to School

Going back to school after a lengthy summer break can be a time of excitement, anxiety and even a bit of sadness for students of all ages.

The new school year is full of many unknowns that can feel a little scary at first. Saying goodbye to a summer of relaxation and fun isn't exactly something most kids, even many college kids, look forward to. A new semester means fresh new books, new teachers, new learning goals and friends.

Beaver County Council and Staff would like to take this opportunity to say good luck, may it be all you hope it will be, wishing you all much success in the new school year!
