CALP Seeking New Board Members

BEAVER COUNTY
Community Adult Learning Program

We Are Looking for New Board Members

The Beaver County Community Adult Learning Council (CALP) is seeking two public members to join our board. One individual will represent the east half of Beaver County and the other the west half of the County.

The Beaver County CALP Council sets direction in accordance with Government guidelines to support identified adult learning and family literacy needs for our Beaver County residents. Potential candidates have a vested interest in adult and family literacy and are familiar with learning needs in Beaver County.

The Beaver County CALP Council meets a minimum of four times a year. Board members are reimbursed for reasonable expenses incurred in the execution of CALP duties and for mileage at the rate set annually by the County.

Interested individuals are asked to apply in writing outlining their volunteer experience and why they are interested in serving on the Beaver County Community Adult Learning Council. Letters of application may be submitted to Tracey Radley, CALP Chair by mail at the Beaver County Office, Box 140, Ryley, AB, T0B 4A0 or by email tboastradley@vbfcss.ca.

Thank You from Holden Seniors Centre

Holden Seniors Centre would like to thank Beaver Municipal Solutions for providing the funds for insulating our building crawl space. We will enjoy the warmer floor and lower gas bills.

Holden Museum Climate Change Forum

The Holden Museum has recently become involved in an initiative by the Alberta Museums Association community, in being a forum for information on Climate Change. We have a Climate Change Forum Exhibit wall in the Museum for visitors. A series of videos by Alberta Museums Association can now be found at this link:
