### Prevent Traffic Safety Hazards

#### Important Notice to Beaver County Property Owners and Residents

Residents and property owners are advised to keep the snow and ice they clear from their driveways, sidewalks and property on their property.

Beaver County asks that you refrain from:

- Depositing snow, ice and other material onto roadways, right-of-ways, ditches or property other than your own
- Conduct any form of work or maintenance on any County road, road right-of-way, or ditch without permission from the County

Pushing snow and ice onto County roadways, ditches, right-of-way's, and property other than your own results in:

- Increased traffic and safety hazards by making roads uneven and unpassable
- Slowing down the County's snow removal process
- Increased risk of damaging equipment during back blading of ditches
- Potentially damaging roads and road maintenance equipment
- Blocking or damaging culverts during freeze and thaw cycles which can lead to higher risks of flooding during the spring
- Causing inconveniences for other property owners, residents and motorists.
- Damaging utility lines, bridge structures, road access as well as vegetation.

*Let's stay safe out there!*

### Beaver County Community Adult Learning

#### BEAVER COUNTY Community Adult Learning Program

#### We are Looking for an Experienced ESL (ELL) Tutor

Beaver County Community Adult Learning Program offers one on one instruction for English Language Learners and we are looking for a tutor to provide Beginner to Intermediate English Language Learners in Beaver County. Previous experience with English Language Learning instruction is required.

The time commitment would be limited to 2-4 hours a week. We pay our tutors \$20/hr and reimburse travel costs if there is travel required to meet the learner.

Please contact Beaver County CALP for more information.

### GED Preparation

January 15- April 2, 2019

Tuesday, Wednesday, Thursday from 5:00 to 8:00 pm

Beaver County Service Centre – 5120 50 Street, Ryley, AB

The GED is a General High School Equivalency Diploma and is recognized by many employers throughout Alberta. The GED Preparation Program is a 100-hour Web conferenced class that prepares you to challenge the GED Exam. The program consists of 5 subjects – Social Studies, Science, Math, English Literature and Grammar, and an essay. All 5 subjects must be passed in order to receive the GED Diploma from Alberta Education. There is an on-site instructor to assist you with your learning during class times.

Students must be very committed to take this program and an intake interview will occur to make sure it is the right fit for you. Student Financial Aid is available through a Part-time Studies Grant.

APPLICATION DEADLINE IS JANUARY 4

To Register for any of our programs, please contact us.

 WAITLISTS!**

### Notice to Residents - Clean Harbors

#### Notice to Residents

In early 2018, Clean Harbors, a waste disposal company with a Class I and II landfill in the Village of Ryley, submitted an application to expand the landfill into the NE 9-50-17-W4.

Council had some concerns regarding the application and submitted a statement of concern to Alberta Environment. These concerns included negative impacts on air quality, groundwater, and above-ground water run-off; mud from vehicles onto the adjacent road; and expansion of stakeholder notification beyond one mile of the site. Clean Harbors has now responded to the County's statement of concern, and Council will be considering a response in the near future.

To read the County's statement of concern and Clean Harbors' response, please go to the County's website at www.beaver.ab.ca
