## Beaver County Community Adult Learning

### Community Adult Learning Program

#### “Why Haven’t I received the CALP Newsletter?”

Over the past year we have heard this question from many people in our community... here is the answer.

Beaver County Community Adult Learning Program is funded by Alberta Advanced Education and our mandate has changed over the years. In the past we have enjoyed offering personal interest and general public learning opportunities. However, to be more effective in helping foundational learners we have been tasked to be more specialized in our approach to learning in Beaver County.

We now offer a variety of foundational adult learning programs and services designed to help Beaver County learners reach their educational, career, and life goals. Our programs include small classes and one on one tutoring in basic math, reading, writing, digital (technology) skills and English Language Learning. We strive to develop programs that are relevant and practical that build on the strengths of our adult learners.

In addition to the core mandate to assist foundational learners in Beaver County we also provide community capacity building learning opportunities. These include First Aid Courses, Wills and Personal Directives sessions, GED Preparation program, New Futures Career Transitions program and Career & Educational Planning Services open to any resident in the Beaver County area.

### Money Matters
