

Strathcona County & Beaver County Intermunicipal Development Plan

Strathcona County and Beaver County Intermunicipal Development Plan

Come find out more information on the draft Intermunicipal Development Plan.

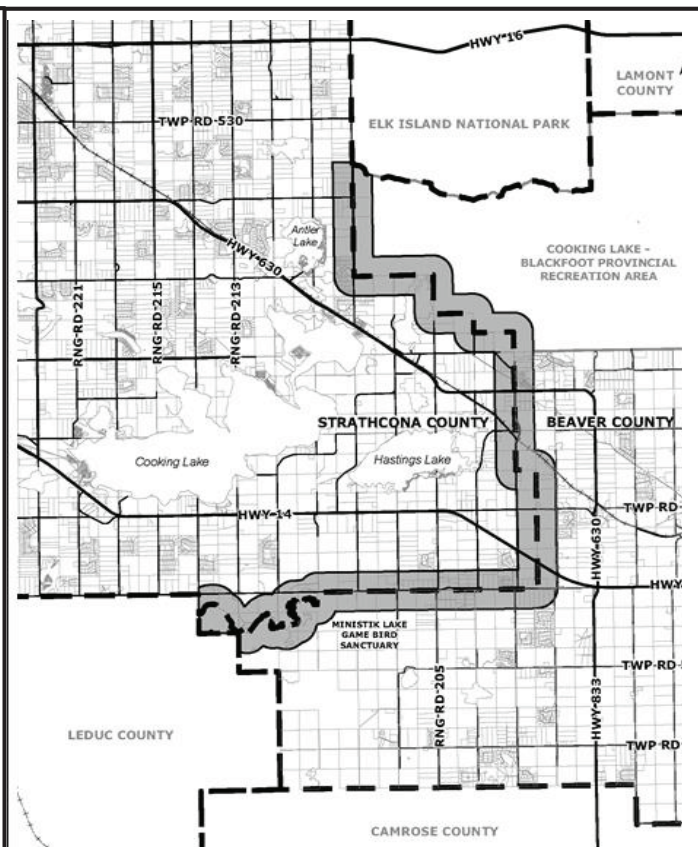

Strathcona County and Beaver County are working on a draft Intermunicipal Development Plan (IDP) to ensure that land use decisions are coordinated between the two municipalities. An IDP is a high-level statutory plan jointly developed by two or more neighboring municipalities.

Recent changes to the *Municipal Government Act* require that municipalities with common boundaries, and where at least one member is not part of a growth region, must adopt an IDP.

The draft IDP has been developed using the existing policy areas of both municipalities' Municipal Development Plans (MDPs), and as a result the proposed IDP will not affect existing land use zoning.

Open house and comment sheet

Learn more about the project, attend the open house or complete the comment sheet. The comment sheet is available on both of the municipalities' project websites.

Open House:

November 21, 6:30 p.m. to 8:30 p.m.

Drop in anytime
Hastings Lake Community Hall
51080 Range Road 204,
1.5 km South of Highway 14 at the Hastings Lake Turnoff

strathcona.ca/IDPs OR
