

Alberta Rural Health Week

May 25 - 29, 2020

One of the keys to a vibrant community is a strong health care network. We are fortunate in the Tofield, Ryley and Beaver County region to have a wonderful Health Care Centre, Medicinal Clinic, Pharmacies and top-notch Ambulance service. These are facilities are successful because of the dedication shown by their health care professionals and support staff.

We would also like to acknowledge, the Beaver Emergency Services Tofield and Ryley Station members who play an active role in medical first response.

In addition, the Primary Care Network (PCN) and the Rural Health Professions Action Plan (RhPAP) play a key role in enhancing health services here.

May 25th – 29th is Alberta Rural Health Week. On behalf of the Tofield and Area Health Services Foundation, we salute and thank all of you for your contributions in striving to keep our area healthy.

Brenda Chehade, Chair
Tofield and Area Health Services Foundation

Beaver County Service Centre Access During Covid-19 And Beyond

Beaver County continues to monitor the coronavirus outbreak, and our commitment to the health and safety of our community and our staff remains our top priority. We are diligently practicing "physical distancing" and taking other necessary precautions to prevent the spread of the virus.

The Provincial Government recently announced Stage 1 of Alberta's Relaunch Strategy, however at this time, the County Services Centre and Transportation Shop remain closed to the public.

The County will be monitoring the success of Stage 1 and preparing the Office for its eventual re-opening. As always, the health and safety of visitors and County staff are our first consideration.

Although the Services Centre is closed to the public, staff are still working in the office and providing the essential services our residents need.

The County has various means by which we can interact with the public and we strongly encourage residents to take advantage of the County's many options for conducting business on-line. Please check our website at www.beaver.ab.ca for access to on-line forms, information regarding methods of payment, notices and announcements, etc.

You may also reach staff at the Services Centre at 780-663-3730 during regular office hours. We are available and happy to assist you with any questions you have. Thank you for respecting the health and safety of our employees and for helping to prevent the spread of the virus. Your patience is appreciated.
