NOTICE OF PUBLIC HEARING BEAVER COUNTY (the "Municipality") IN THE PROVINCE OF ALBERTA

PROPOSED RESOLUTION REGARDING BEAVER MUNICIPAL SERVICES

To be held **June 17, 2020 at 6:00 pm in Ryley, Alberta**

PURSUANT to sections 75.1, 75.5, 230 and 606 of the *Municipal Government Act*, Revised Statutes of Alberta 2000, Chapter M-26, as amended and Section 3 of the *Municipally Controlled Corporation Regulation*, A.R. 112/2019, the Council of Beaver County, in the Province of Alberta hereby gives notice of its intention to incorporate and control a corporation pursuant to the *Business Corporations Act*.

THE PURPOSE of the proposed Resolution is:

A. Beaver County, Town of Tofield, Town of Viking, Village of Ryley and Village of Holden are the sole members of the Beaver Regional Waste Management Services Commission, also known as "Beaver Municipal Solutions", (the "**Commission**");

B. The Commission and the five municipal members, including the Municipality, wish to corporately reorganize the Commission, by transferring operations over to the proposed Claystone Waste Limited Partnership (the "**New Waste Provider**"), with these five municipalities being the sole partners in the New Waste Provider;

C. As the New Waste Provider is a limited partnership, a new municipally controlled corporation shall be created pursuant to the *Business Corporations Act* ("**BCA**") to act as the General Partner of the New Waste Provider, to be called Claystone Waste Ltd. (the "**MCC**"). The same five municipalities will also be the only shareholders of the MCC;

D. The Municipality wishes to be a shareholder and jointly create and control the MCC under the BCA;

E. Pursuant to both the terms of Division 9 of Part 3 of the *Municipal Government Act* (the "**MGA**") and the *Municipally Controlled Corporation Regulation* (the "**MCC Reg**"), a municipality may only incorporate and control a corporation incorporated pursuant to the BCA if certain preliminary steps are taken, which include, but is not limited to, holding a public hearing as stated hereof;

F. The Council of the Municipality wishes to comply with all obligations under the MGA and the MCC Reg to cause the MCC to be incorporated.

DURING THE COVID-19 PANDEMIC, the Government of Alberta has enacted the *Meeting Procedures (COVID-19 Suppression) Regulation* pursuant to Order in Council 099/2020 (the "**COVID Regulation**") to permit electronic hearings to be held instead of in person hearings.

THE FOLLOWING INFORMATION will be disclosed at the public hearing:

- (1) the services the corporation and the New Waste Provider intends to provide;

Campground Reservations Guidelines

On May 6, 2020 Beaver County Council made the decision to open Beaver County's campgrounds on June 1, 2020 based on recommendations established for Provincial campgrounds by the Province of Alberta and Alberta Health Services.

These recommendations include 50% capacity, only one unit per site, no group camping, no out of province campers, no fires, no day use. The complete rules and regulations for the campgrounds are still being developed by the Province and will be posted as soon as they are released, which will impact County campgrounds also.

The health and safety of our residents, visitors, staff, and contractors is our top priority. These measures are in line with Provincial recommendations to practice physical distancing.

Our campground reservation system is now taking reservations for June 1, 2020 onward. For those who have already made reservations at campreservations.ca, they are working on processing refunds or rebooking, if the reservation system has not contacted you, please contact them for your refund or to rebook.

We apologize to our residents and visitors for this inconvenience, which we realize is significant and unprecedented. For further information, please contact the County Office at 780-663-3730 or email at slungal@beaver.ab.ca.
