## CRA Learning Series/Volunteer Income Tax Program

### CRA Learning Series and Volunteer Income Tax Program

Tofield/Ryley Beaver County West (TRBW) FCSS has partnered with the CRA to have them facilitate a series of seven learning sessions about various credits and benefits that you may be entitled to when filing your tax return. We have also asked them to include an overview of COVID related benefits to kick off the series. The sessions are available by webinar and teleconference to reduce barriers. Details are included on the attachment along with a requirement to register. Session links/teleconference lines will be released to registrants closer to the date of each session

As you know, TRBW FCSS is registered with the Federal Government to run a year-round Community Volunteer Income Tax Program. We were able to maintain this program during COVID closures, but for individuals/families who may have held off filing returns - we can help. There are eligibility requirements as outlined in the attached link:
