

You'll Pay More!

The Alberta government is considering stopping municipalities from properly taxing the oil and gas industry. This would be devastating to our communities. In Beaver County, these changes could mean a **\$3 million budget shortfall. Why should you care?**

Potential property
tax increase of up to

103%

Potential business
tax increase of up to

58%

Nearly 65%
reduction of
municipal
employees

**Cuts to
services**
our families rely on

You can help! Contact your MLAs, the Municipal Affairs Minister and the Premier:
