Beaver County Office Closed

On November 26, 2020, the Beaver County Region (including all the towns and villages within the County) moved into ENHANCED status on the Provincial Government's COVID status map.

To move into Enhanced status, the active case rate must be 50 cases per 100,000 population with a minimum of 10 active cases. The County reached 10 active cases on November 26.

Beaver County recognizes the seriousness of the coronavirus outbreak and our top priority is the health and safety of our community and staff.

We are taking the necessary precautions to prevent the spread of the virus and are limiting staff interaction with the public.

EFFECTIVE IMMEDIATELY AND UNTIL FURTHER NOTICE, the Beaver County Services Centre and Transportation Shop will be **CLOSED TO THE PUBLIC**.

Staff will continue to work in the office and provide the essential services our residents need. Please check the County's website at www.beaver.ab.ca for access to on-line forms, information regarding methods of payment, etc. You may also reach staff at the Services Centre at 780-663-3730.

Most, if not all, of your questions or concerns can be addressed on-line or by speaking with a staff member on the phone. County staff are available and happy to assist you with any questions you have regarding County services, applications, payment of accounts, etc.

For more information regarding COVID-19, please refer to Alberta Health Services' website at <https://albertahealthservices.ca/topics/Page16944.aspx>. A list of all mandatory and recommended public health measures can be viewed at <https://www.alberta.ca/enhanced-public-health-measures.aspx>.
