EFP Workshops

ONLINE EFP WORKSHOPS

You can complete your EFP online in your own time, or you can choose to attend an EFP Workshop. The workshops give you time to work on your EFP with in-person guidance from technicians and walk through the first 2 chapters of your EFP workbook. Many participants find completing the workbook easier with the support of an EFP technician.

Just Curious what EFP is all about? Then the EFP Webinar will help you learn why your farm would benefit from having an EFP, learn tips to completing your workbook, and ask questions to program staff and EFP technicians.
