FCSS Change Clarification

Tofield/Beaver County West FCSS Service Area Clarification

As you are aware and as per earlier messaging via local paper/social media, there has been a change in FCSS services related to the Tofield/Beaver County West FCSS program in that Ryley has separated to create their own program. For the sake of clarity, FCSS service areas across the county are:

- Tofield/Beaver County West FCSS will continue to provide services to residents situated in the Town of Tofield and Beaver County between ranges 17-21.
- Viking/Beaver FCSS will continue to provide services to residents situated in the Town of Viking, Village of Holden, and Beaver County between ranges 13-16.
- The Village of Ryley FCSS is specific to serving residents situated in the Village of Ryley only.

Trust this helps clarify any discrepancies. If there are still questions regarding service area, please call us @ **Tofield/Beaver County West FCSS 780-662-7067** and we will be happy to direct you to the correct program.
