

Exciting News: Beaver County Mobile App is now LIVE!

Exciting News!

Our Beaver County Mobile APP is now available in both Google Play Store and the Apple App Store.

Beaver County has made it easier than ever for residents looking to get things done virtually, here is an easy way to instantly access company details, report road concerns and/or road issues on our new free mobile app.

Just download Beaver County on your apple iPhone or on google play store. Beaver County's mobile app will show Council agenda's, Council meeting minutes, roads closures, and construction areas.

Beaver County has made it easy to make a bill payment, change your address, apply for a fire permit, view a land owners map or even book a campsite at one of our two campgrounds.

For fast and easy access download the app today!

Dust Control

In 2021 Beaver County Council has reinstated the subsidy program and residents will pay 50% of the product cost. The County reserves the right to maintain the sites in a manner suitable to the Public Works Department. Residents desiring spring applications of dust control on the County road adjacent to their property must apply by 11:59pm.,April 15, 2021 to:

Beaver County
5120-50 St., Ryley, Alberta T0B 4A0.

Please note:

- 1. Applications post marked before or on April 15, 2021 will be accepted.*
- 2. Applications may also be paid at the Beaver County Service Centre or over the phone using VISA or M/C, however applications must be submitted first.*

To see the policy or to obtain an application form visit <https://www.beaver.ab.ca/departments/public-works/dust-control>
