Township Road 202 Construction Update

Over the next few weeks, Range Road 202 from Township Road 504 to 510, will be upgraded from an oiled surface to an all-weather hard surfaced road. This involves stabilizing the road base with soil cement before applying two coats of "chip seal". While this process is much different from the process to pave a road with asphalt, the end result will seem similar to residents and the travelling public resulting in a road that is not dusty when it is dry, nor muddy when it is wet.

During this construction phase, **portions of the road may be closed to allow crews to work safely** please use another route, detours will be posted or be cautious when you need to drive through construction zones (local traffic only). Beaver County's goal is to provide a healthy, injury free work environment for all employees, contractors, visitors and general public. Already this year we have had people exceeding the posted speed limit through our construction zones, endangering staff, contractors and the public.

There are potential hazards to the public and vehicles during the construction process. This can include heavy machinery, dust or mud, road material such as gravel, asphalt coatings and rock chips.

We apologize for the inconvenience that road maintenance and upgrading causes, but the same roads that receive the most traffic also need the most maintenance. Thank-you for your patience and understanding during construction. If you have any questions, please call the Beaver County Service centre at 780-663-3730.

New Horizons for Seniors

New Horizons for Seniors' Call for Proposal is coming soon!

Could your community use funding to help its seniors and Elders?

The New Horizons for Seniors (NHSP) program helps seniors and Elders stay physically and mentally stimulated, and engaged and connected within their communities by funding activities-based projects.

Do you have a project idea or activity in mind? Is it led or inspired by seniors/Elders? Will it benefit them? If you answered yes, you could be eligible for up to \$25,000.

Here's some inspiration—intergenerational projects and activities are a great idea. Knowledge and cultural traditions passed on from seniors and Elders to our youth of today, is so important.

What's next? Start brainstorming, and keep an eye out for the official NHSP Call for Proposal date announcement. In the meantime, let us know if you have any questions and visit our website for info on our program www.canada.ca/nhsp Let us help you help your community!
