### Municipal Election Nominations

**2021 is the year of municipal elections and October 18, 2021 is Election Day.**

In the past, submission of nominations was restricted to one day only. The Local Authorities Election Act has been amended to extend the time period during which nominations can be filed.

**The new Nomination Period is January 1, 2021  
to noon on Monday, September 20, 2021.**

At any time during this period, a candidate may submit a Nomination Form. The Nomination Form as well as a Candidate Information Package is available on the County's website at [www.beaver.ab.ca/council/2021-municipal-election](http://www.beaver.ab.ca/council/2021-municipal-election). Additional information regarding municipal elections is available on Alberta Municipal Affairs' website at [www.alberta.ca/municipal-elections.aspx](http://www.alberta.ca/municipal-elections.aspx). Inquiries may be addressed to the Returning Officer, Margaret Jones, or the Substitute Returning Officer, Aimee Boese, at 780-663-3730, or by e-mail to [mjones@beaver.ab.ca](mailto:mjones@beaver.ab.ca) or [aboese@beaver.ab.ca](mailto:aboese@beaver.ab.ca).

### Construction Update

Over the summer we have been working to upgrade the following roads:

- TWP RD 512 from RGE RD 191 to RGE RD 195
- RGE RD 202 from TWP RD 504 to TWP RD 510
- TWP RD 480 from HWY 36 - RGE RD 132
- RGE RD 132 from TWP RD 480 to Parrish & Heimbecker entrance
- TWP RD 482 TerraCem REPAIRS from TWP RD 482 to HWY 36
- RGE RD 132 TerraCem REPAIRS from P&H north to TWP RD 482

These locations are starting to receive the second layer of chip seal and there may be delays as work crews direct traffic in order to work safely. There will be many loose rocks after the second chip seal layer is applied and speed limits will continue to be reduced on these roads until the final sweep is complete. Beaver County's goal is to provide a healthy, injury free work environment for all employees, contractors, visitors and general public.

There are potential hazards to the public and vehicles during the construction process. This can include heavy machinery, dust or mud, road material such as gravel, asphalt coatings and rock chips.

We apologize for the inconvenience that road maintenance and upgrading causes, but the same roads that receive the most traffic also need the most maintenance. Thank-you for your patience and understanding during construction. If you have any questions, please call the Beaver County Service Centre at 780-663-3730.

### Error on Taxes

The County has been made aware of an error on the tax notices. The date for the January penalty reads "January 16, 2021" instead of "January 18, 2022".

The error does **not** render the tax notices invalid. Payment is still **due by November 1, 2021** to avoid a 6% late payment penalty. Unpaid taxes after November 1, 2021 are **due by January 17, 2022** to avoid the second late payment penalty of an additional 3%.

We apologize for this error.

### Request for Quotations

Beaver County has issued a Request for Quotations, which is an invitation to submit non-binding offers for the provision of a **Tandem Highway Tractor Trailer Unit**.

We are looking for a variety of quotes so all lease, new and used options will be considered.

Please visit our website: <https://www.beaver.ab.ca/residents/proposals-quotes> or Alberta Purchasing Connection for the full details.

RFQs will close on September 2, 2021 @ 10:00:00am local time.
