SIGNIFICANT AUDIT, ACCOUNTING AND REPORTING MATTERS

AUDIT AND REPORTING MATTERS

The following significant matters arose during the course of audit that we wish to bring to your attention.

AREA	COMMENTS
CHANGES FROM AUDIT SERVICE PLAN	There were no deviations from the Audit Service Plan previously presented to you.
FINAL MATERIALITY	Materiality is a concept used to assess the significance of misstatements or omissions that are identified during the audit and is used to determine the level of audit testing that is carried out. The scope of our audit work is tailored to reflect the relative size of operations of the County, and is affected by our assessment of materiality and audit risk. Final materiality used for our audit was \$810,000 for December 31, 2019 and
	\$810,000 for December 31, 2018.
DIFFICULTIES ENCOUNTERED	No significant limitations were placed on the scope or timing of our audit.

AREA	COMMENTS
IDENTIFIED OR SUSPECTED FRAUD	Due to the inherent limitations of an audit and the nature of fraud, including attempts at concealment through forgery or collusion, an audit conducted in accordance with Canadian generally accepted auditing standards cannot be relied upon to detect fraud.
	While our audit cannot be relied upon to detect all instances of fraud, no incidents of fraud, or suspected fraud, came to our attention in the course of our audit.
IDENTIFIED OR SUSPECTED NON- COMPLIANCE WITH LAWS AND REGULATIONS	Nothing has come to our attention that would suggest any non-compliance with laws and regulations that would have a material effect on the consolidated financial statements.
MATTERS ARISING IN CONNECTION WITH RELATED PARTIES	No significant matters arose during the course of our audit in connection with related parties of the County.
SIGNIFICANT DEFICIENCIES IN INTERNAL CONTROL	Our audit process focuses on understanding the controls utilized in management's reporting systems to the extent necessary to identify overall and specific financial reporting risks. This risk assessment allows us to concentrate our audit procedures on high risk areas and, where possible, place reliance on controls within the financial reporting system to reduce the extent of our testing.
	It is important to note that our assessment was not, nor was it intended to be, sufficient to comment or conclude on the sufficiency of internal controls.
	We are required under Canadian generally accepted auditing standards to communicate all significant deficiencies identified during an audit to Council on a timely basis. However, we may not be aware of all significant deficiencies that do, in fact, exist.
	While our review of controls was not sufficient to express an opinion as to their effectiveness or efficiency, no significant deficiencies in internal control have come to our attention.
	One item that was noted was that the vacation accrual remains quite high but management intends to look into this issue in more detail in 2020.
SUBSEQUENT EVENT	Subsequent to year-end, there was a global outbreak of COVID-19, which has had a significant impact on municipal government operations through the restrictions put in place by the Canadian and provincial governments as well as municipal governments regarding travel, isolation/quarantine orders, closures of County facilities, cancellation/postponement of programs and tax and utility deferral programs. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the County as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the virus, and the duration of the outbreak, including the duration of County facility closures, program and service disruptions, and isolation/quarantine measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

AREA	COMMENTS
MATTERS ARISING FROM DISCUSSIONS WITH MANAGEMENT	We would like to formally acknowledge the cooperation and assistance we received from the management and staff of the County.
	There were no significant matters discussed, or subject to correspondence, with management that in our judgment need be brought to your attention.
SIGNIFICANT DIFFERENCES	A few significant differences were proposed to management with respect to the December 31, 2019 consolidated financial statements. A summary of significant differences has been included as Appendix B to this report.

AUDITOR'S VIEWS OF SIGNIFICANT ACCOUNTING PRACTICES

The application of Canadian public sector accounting standards allows and requires the County to make accounting estimates and judgments regarding accounting policies and financial statement disclosures.

As auditors, we are uniquely positioned to provide open and objective feedback regarding your County's accounting practices, and have noted the following items during the course of our audit that we wish to bring to your attention.

AREA	COMMENTS
ACCOUNTING POLICIES	The accounting policies used by the County are appropriate and have been consistently applied.
ACCOUNTING ESTIMATES	Gravel inventory and reclamation liability
	There are significant management estimates regarding gravel inventory and reclamation. We used engineering reports to verify gravel quantity and inputs for estimate of the reclamation liability.
FINANCIAL STATEMENT DISCLOSURES	The disclosures made in the notes to the consolidated financial statements appear clear, neutral and consistent with our understanding of the entity and the amounts presented in the consolidated financial statements.

OTHER MATTERS

MANAGEMENT REPRESENTATIONS

We have requested certain written representations from management, which represent a confirmation of certain oral representations given to us during the course of our audit. This letter, provided by management, has been included under separate cover.

AUDITOR INDEPENDENCE

We confirm to Council that we are independent of the County. Our letter to Council discussing our independence is included under separate cover.

APPENDIX A - MNP AUDIT PROCESS

Our audit was carried out in accordance with Canadian generally accepted auditing standards, and included a review of all significant accounting and management reporting systems, with each material year end balance, key transaction and other events considered significant to the consolidated financial statements considered separately.

Our audit process focused on understanding the controls utilized in management's reporting systems to the extent necessary to identify overall and specific financial reporting risks. This risk assessment enabled us to concentrate our audit procedures on the areas where differences were most likely to arise. Where possible, reliance was placed on the controls within these systems to reduce the extent of our testing of transactions and year-end balances. Our assessment was not, nor was it intended to be, sufficient to conclude on the effectiveness or efficiency of internal controls.

During the course of our audit, we have:

- Examined, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements;
- Assessed the accounting principles used and significant estimates made by management;
- Obtained an understanding of the County and its environment, including management internal controls (regardless
 of whether we relied on them for the purpose of the audit), sufficient to identify and assess the risks of material
 misstatement of the consolidated financial statements and to design and perform audit procedures;
- Reviewed and assessed those accounting systems deemed necessary to support our audit opinion;
- Evaluated the overall consolidated financial statement presentation;
- Performed a subsequent events review with management;
- · Reviewed and assessed the status of contingencies, commitments and guarantees; and
- Reviewed and assessed exposure to environmental liabilities.

We have obtained written representations from management, included as additional materials following this report, in order to confirm oral representations given to us and reduce the possibility of misunderstanding. Specifically, we have obtained written confirmation of significant representations provided on matters that are:

- Directly related to items that are material, either individually or in the aggregate, to the consolidated financial statements;
- Not directly related to items that are material to the consolidated financial statements, but are significant, either individually or in the aggregate, to the engagement; and
- Matters relevant to management judgments or estimates that are material, either individually or in the aggregate, to the consolidated financial statements.

APPENDIX B - SUMMARY OF SIGNIFICANT DIFFERENCES

SIGNIFICANT ADJUSTED DIFFERENCES

A full list of all adjusted differences is available upon request.

SIGNIFICANT UNADJUSTED DIFFERENCES

DIFFERENCES NOTED AND ITEMS AFFECTED	STATEMENT OF FINANCIAL POSITION		REVENUE OVER EXPENSES	
Overstatement of opening accumulated surplus and current year expenses in relation to employee retirement bonuses	\$	97,000	\$	(97,000)
Overstatement of opening accumulated surplus and current year expenses in relation to gravel inventory	\$	197,467	\$	(197,467)
Total Unadjusted Differences (Income Effect)			\$	(294,467)

Canadian generally accepted auditing standards require that we request of management and Council that identified unadjusted differences be corrected. We have made this request of management, however based on both quantitative and qualitative considerations management has decided not to correct those identified differences that remain unadjusted. They have represented to us that in their judgment the unadjusted differences are, both individually and in the aggregate, not material to the consolidated financial statements.

We concur with management's representation that the unadjusted differences are not material to the consolidated financial statements and, accordingly, these unadjusted differences have no effect on our Independent Auditor's Report.
