

Beaver County encourages municipal election candidates to carefully consider the placement of election campaign signs on County roads.

Beaver County's Traffic Control Bylaw 18-1065 states as follows:

- 4.2 No person shall do any act that is likely to cause or does cause an obstruction to be on or within one or more of the following:*
- (a) a Highway,*
  - (b) a culvert,*
  - (c) a bridge,*
  - (d) any public property, situated within a Highway or road allowance, or*
  - (e) any private property permitted by the County to be situated within a Highway or road allowance.*

While the County has no restriction on the exact placement of signs along County roadways, candidates must adhere to the Traffic Control Bylaw. Signs shall not be affixed to existing County road signs, and if erected near an intersection, shall not be closer than 250 m from the intersection.

In addition, the County reserves the right to remove candidate's campaign signs at its sole discretion without prior notice, and accepts no liability or responsibility for signs removed for any reason, or any damage to signs due to County activities such as road maintenance or roadside mowing activities. Note that roadside mowers will be mowing all roads in Divisions 1 and 2, and hard surfaced roads in Divisions 3, 4, and 5, during the months of July and August.

Signs must be removed no later than 8:00 pm, Wednesday, October 20, 2021.
