### Notice of Application

## Notice of Application Confined Feeding Operation

Christopher Horvat has filed application RA22032 with the Natural Resources Conservation Board (NRCB) to obtain a registration to construct a new confined feeding operation (CFO) on the NE 29-50-15 W4M in the Beaver County of Alberta. The application is to construct a new 6,000 broiler breeder operation and to build a poultry barn.

#### Filing a Statement

Any person who is directly affected by the application may submit a statement of concern to the NRCB. The statement of concern must be received by the NRCB on or before 4:30 pm on February 15, 2023. Submissions should be made to the NRCB address provided below. A copy of the statement of concern will be sent to the applicant for review and comment. Statements submitted regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your statement of concern should include your name, the legal land description of your residence or landholdings, mailing address, phone number, email address, and a detailed summary that describes how you would be directly affected by this application. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at [www.nrcb.ca](http://www.nrcb.ca). You may also file an application for directly affected party status at this time.

Failure to submit a statement of concern may affect your rights to apply for an NRCB review.

#### Viewing the Application

A complete copy of the application and supporting documents submitted by the applicant under the *Agricultural Operation Practices Act* may be viewed on the NRCB website at [www.nrcb.ca](http://www.nrcb.ca) (under Confined Feeding Operations / Public Notice of Applications) until February 15, 2023. The application will also be available for in-person viewing at the Red Deer office during regular business hours.
