

Back to School

Going back to school after a lengthy summer break can be a time of excitement, anxiety and even a bit of sadness for students of all ages.

The new school year is full of many unknowns that can feel a little scary at first.

Saying goodbye to a summer of relaxation and fun isn't exactly something most kids, even many college kids, look forward to. A new semester means fresh new books, new teachers, new learning goals and friends.

Beaver County Council and Staff would like to take this opportunity to say good luck, may it be all you hope it will be, wishing you all much success in the new school year!
